Glossary

ambiente
    Definition for "ambiente" would be provided here.

analisi
    Definition for "analisi" would be provided here.

analogici
    Definition for "analogici" would be provided here.

arduino
    Definition for "arduino" would be provided here.

autovalutazione
    Definition for "autovalutazione" would be provided here.

che
    Definition for "che" would be provided here.

codice
    Definition for "codice" would be provided here.

componenti
    Definition for "componenti" would be provided here.

comunicazione
    Definition for "comunicazione" would be provided here.

con
    Definition for "con" would be provided here.

concetti
    Definition for "concetti" would be provided here.

critica
    Definition for "critica" would be provided here.

del
    Definition for "del" would be provided here.

della
    Definition for "della" would be provided here.

digitale
    Definition for "digitale" would be provided here.

digitali
    Definition for "digitali" would be provided here.

esempi
    Definition for "esempi" would be provided here.

esercitazioni
    Definition for "esercitazioni" would be provided here.

essere
    Definition for "essere" would be provided here.

funzionalit
    Definition for "funzionalit" would be provided here.

hardware
    Definition for "hardware" would be provided here.

ide
    Definition for "ide" would be provided here.

introduzione
    Definition for "introduzione" would be provided here.

led
    Definition for "led" would be provided here.

per
    Definition for "per" would be provided here.

pin
    Definition for "pin" would be provided here.

possono
    Definition for "possono" would be provided here.

pratici
    Definition for "pratici" would be provided here.

programmazione
    Definition for "programmazione" would be provided here.

pulsante
    Definition for "pulsante" would be provided here.

pwm
    Definition for "pwm" would be provided here.

resistenza
    Definition for "resistenza" would be provided here.

resistenze
    Definition for "resistenze" would be provided here.

scheda
    Definition for "scheda" would be provided here.

schede
    Definition for "schede" would be provided here.

segnali
    Definition for "segnali" would be provided here.

sezione
    Definition for "sezione" would be provided here.

shield
    Definition for "shield" would be provided here.

sketch
    Definition for "sketch" would be provided here.

sono
    Definition for "sono" would be provided here.

sulla
    Definition for "sulla" would be provided here.

temperatura
    Definition for "temperatura" would be provided here.

uno
    Definition for "uno" would be provided here.

utilizzati

Definition for "utilizzati" would be provided here.
